

IN MEMORIAM

CAPT. WILLIAM L. JAGENOW
1915 - 1974

It was in March, 1938, that Bill joined the ranks of Detroit Lodge #7 and has been a credit to our organization to the end. He was associated with the Reiss Steamship Co. for fourteen years before he chose to become skipper of the Detroit Fireboat John Kendall.

Bill has faithfully discharged the office of Grand Secretary for eleven years having resigned this position at the Ashtabula Lodge Convention in January 1974. His is an enviable record of a code of ethics regarding the Constitution and By-Laws of the Grand Lodge.

Bill will be missed by many and always remembered for his jovial smile and loyalty to the Association. He passed away suddenly July 18, 1974.
